(a) (1) An annexation, consolidation, or detachment action that affects territory under this chapter shall include in its ordinance or resolution the date upon which the annexation, consolidation, or detachment is considered final.

(2) An ordinance or resolution that fails to include a specified effective date shall use the date of the municipal clerk or municipal recorder file mark or attestation, whichever is later in time, as the effective date for all purposes.

(b) (1) The date specified in the ordinance or resolution is the official effective date of the annexation, consolidation, or detachment.

(2) An amendment to the ordinance or resolution shall carry its own effective date or modification of the effective date.

(3) An amendment that fails to include a specified effective date shall use the date of the municipal clerk or municipal recorder file mark or attestation, whichever is later in time, as the effective date of the amendment for all purposes.

(e) (1) In the event of a circuit court challenge to a county court order approving a municipal boundary change under this chapter, the final order of the circuit court shall specify a change to the effective date, if any.

(2) In the absence of a specific attestation, the municipally designated effective date is the effective date.

A.C.A. § 14-40-206. Territory annexed with prior county permit or approval in use.

If a county had issued a permit or approval for construction, operation, or development before a municipal annexation proceeding begins for a

project in the area that the municipality intends to annex, the municipality shall honor and give full effect to county permits and approvals on lands to be annexed.

A.C.A. § 14-40-207. Building situated or to be situated upon municipal boundary line—Option to choose municipal location.

(a) (1) A property owner who has a building that is currently situated upon the boundary line between two [2] municipalities may choose either one [1] of the municipalities as the legal location of the building.

(2) When the expansion of a building will result in the expansion's being situated upon the boundary line between two [2] municipalities, the property owner of the building may choose either one [1] of the municipalities as the legal location of the building if the property owner has first obtained the necessary authorizations or permits for expansion of the building from the municipality upon which the building is located before the expansion or the municipality upon which the building expansion will be located.

(b) (1) The property owner shall provide written notice to the governing body of both municipalities as to which municipality is chosen under subsection (a) of this section.

(2) The written notice to the chosen municipality shall include a request for annexation into the chosen municipality.

(c) The property upon which the building is situated or will be situated after expansion and up to two [2] acres of the property owner's property surrounding the building and expansion shall be annexed into the municipality chosen by the owner under subsection (a) of this section.

the municipality shall initiate annexation proceedings within five [5] years of the stated intent.

(b)(1) During the five [5] years under subsection (a) of this section, the municipality may continue to exercise its territorial jurisdiction under § 14-56-413, including the defined territory specified within its intent to annex.

(2) If the municipality does not initiate annexation proceedings of the territory specified within its intent to annex within five [5] years of the effective date of the resolution or ordinance under subsection (a) of this section, the municipality is prohibited from again exercising territorial jurisdiction over the territory specified within its intent to annex for the next five [5] years.

Election Method

A.C.A. § 14-40-301. Construction.

The provisions of this subchapter shall not be construed to give any municipality the authority to annex any portion of another city or incorporated town.

A.C.A. § 14-40-302. Authority—Exceptions.

(a) By vote of two-thirds [2/3] of the total number of members making up its governing body, any municipality may adopt an ordinance to annex lands contiguous to the municipality if the lands are any of the following:

(1) Platted and held for sale or use as municipal lots;

(2) Whether platted or not, if the lands are held to be sold as suburban property;

(3) When the lands furnish the abode for a densely settled community or represent the actual growth of the municipality beyond its legal boundary;

(4) When the lands are needed for any proper municipal purposes such as for the extension of needed police regulation; or

(5) When they are valuable by reason of their adaptability for prospective municipal uses.

(b)(1) Contiguous lands shall not be annexed if they:

(A) At the time of the adoption of the ordinance, have a fair market value of lands used only for agricultural or horticultural purposes and the highest and best use of the lands is for agricultural or horticultural purposes;

(B) Are lands upon which a new community is to be constructed with funds guaranteed, in whole or in part, by the federal government under Title IV of the Housing and Urban Development Act of 1968 or under Title VII of the Housing and Urban Development Act of 1970;

(C) Are lands that do not include residents, except as agreed upon by the mayor and county judge; or

(D) Are lands that do not encompass the entire width of public road right-of-way or public road easements within the lands sought to be annexed, except as agreed upon by the mayor and county judge.

(2) Any person, firm, corporation, partnership or joint venturer desiring to come within this exclusion must have received from the Department of Housing and Urban Development a letter of preliminary commitment to fund the new community under one [1] of the federal acts.

(3) If any lands are annexed which are being used exclusively for agricultural purposes, the lands may continue to be used for such purposes so long as the owner desires, and the lands shall be assessed as agricultural lands.

(c) However, a municipality having a population of less than one thousand [1,000] persons shall not annex in any one [1] calendar year contiguous lands in excess of ten percent [10%] of the current land area of the municipality.

(d)(1) Whenever practicable, a city or incorporated town shall annex lands that are contiguous and in a manner that does not create enclaves.

(2) As used in this section, “enclave” means an unincorporated improved or developed area that is enclosed within and bounded on all sides by a single city or incorporated town.

A.C.A. § 14-40-303. Annexation ordinance—Election procedures.

(a) The annexation ordinance shall:

(1) Contain an accurate description of the lands desired to be annexed;

(2) Include a schedule of the services of the annexing municipality that will be extended to the area within three [3] years after the date the annexation becomes final; and

(3) Fix the date for the annexation election under this section at the next special election date under § 7-11-205 after the ordinance is filed; and

(4) Be heard at three (3) consecutive regular meetings of the governing body of the annexing municipality.

(b)(1) The annexation ordinance shall not become effective until the question of annexation is submitted to the qualified electors of the annexing municipality and of the area to be annexed at the next general election or at a special election. The special election shall be called by ordinance or proclamation of the mayor of the annexing municipality in accordance with § 7-11-201 et seq.

(2)(A) If a majority of the qualified electors voting in the election vote for the annexation, no later than fifteen [15] days following the election, the county clerk shall certify the election results and record the same, along with the description and a map of the annexed area, in the county records, and file a certified copy thereof with the Secretary of State.

(B) The annexation shall be effective, and the lands annexed shall be included within the corporate limits of the annexing municipality thirty [30] days following the date of recording and filing of the description and map, as provided in this section, or in the event an action is filed with the circuit court as provided in § 14-40-304, on the date the judgment of the court becomes final.

(3) If a majority of the qualified electors voting on the issue at the election vote against the annexation, the annexation ordinance shall be null and void.

(c)(1)(A) The city clerk shall certify two [2] copies of the annexation ordinance and a plat or map of the area to be annexed and convey one [1] copy to the county clerk and one [1] copy to the county election commission at least sixty [60] days before the election.

(B) (i) No later than forty-five (45) days prior to the election, the city shall identify all persons who reside within the area proposed to be annexed, and the county clerk shall assist the city in determining the names and addresses of all qualified electors residing within that area.

(ii) The failure to identify all persons residing within the area proposed to be annexed or the failure to determine the names and addresses of all qualified electors residing within that area shall not invalidate or otherwise affect the results of the election.

(C) All of the qualified electors residing within the territory to be annexed shall be entitled to vote in the election.

(D) The city clerk shall give notice of the election by publication by at least one [1] insertion in some newspaper having a general circulation in the city.

(2)(A) The county clerk shall give notice of the voter registration deadlines at least forty (40) days before the election by ordinary mail to those persons whose names and addresses are on the list provided by the city clerk.

(B) The county clerk shall prepare a list by precinct of all those qualified electors residing within the area to be annexed who are qualified to vote in that precinct and furnish that list to the election officials at the time the ballot boxes are delivered.

(3) If the county clerk or the county election commission shall fail to perform any duties required of it, then any interested party may apply for a writ of mandamus to require the performance of the duties. The failure of the county clerk or the county election commission to perform the duties shall not void the annexation election unless a court finds that the failure to perform the duties substantially prejudiced an interested party.

(d) If the annexation is approved and becomes final, the governing body of the city shall, by ordinance, as soon as practical after the annexation, attach and incorporate such annexed territory to and in one [1] or more wards of the city lying adjacent thereto, and the territory so assigned and attached to a ward shall thereafter be considered and become a part thereof as fully as any other part of the city.

(e) From the map or plat provided by city ordinance of the wards assigned, the county clerk shall proceed to ascertain and determine the voters' proper precinct and shall enter the same upon the voter registration records of those inhabitants of the territory so annexed and give notice of that change within thirty [30] days after the adoption of the city ordinance assigning the territory to wards.

(f) (1) In the event that within thirty [30] days of the date that one [1] city calls for an annexation election, another city calls for an annexation election on all or part of the same land proposed to be annexed by the first city, then both annexation elections shall be held, provided that the second city must call for its annexation election to be held on

the next available date in accordance with § 7-11-201 et seq. before or after the holding of the first city's election.

(2)(A) If the annexation election held first is approved by the voters, the results of it shall be stayed until the second annexation election is held.

(B) (i) If only one [1] of the annexation elections is approved by the voters, then the city that called that election shall proceed with the annexation of the land.

(ii)(a) Except as provided in subdivisions (f)(2)(B)(ii)(b) and (c) of this section, if both annexation elections are approved by the voters, then a third election shall be held three [3] weeks after the second annexation election. The provisions of § 7-11-201 et seq., governing the procedures and dates on which special elections may be held shall not apply to the third annexation election provided in this subsection.

(b) If the date of the third election falls upon a legal holiday, the election shall be held four [4] weeks after the second annexation election.

(c) If the date of the election under subdivision (f)(2)(B)(ii)(b) of this section is a legal holiday, the election shall be held five [5] weeks after the second annexation election.

(iii) Notice of the third election shall be published in a newspaper circulated in the area to be annexed during the period following the second election.

(iv) Only the residents of the area proposed to be annexed by both cities shall vote in the third election.

(v) The issue on the ballot in the third election shall be into which of the two [2] cities the residents of the area want to be annexed.

(vi) The area shall be annexed into the city receiving the most votes in the third election.

(vii) In the event of a tie vote in the third election, the area shall be annexed to the city that had the highest percentage vote in favor of the annexation in the first or second election.

(3) If the city that does not get to annex the area voted on by both cities included land in its annexation election other than the land voted on by both cities, then that land shall be annexed into such city if it is still contiguous to such city after the other land is annexed to the other city, but such land shall remain part of the county if it is not so contiguous.

A.C.A. § 14-40-304. Judicial review.

(a) If it is alleged that the area proposed to be annexed does not conform to the requirements and standards prescribed in § 14-40-302, a legal action may be filed in the circuit court of the county where the lands lie, within thirty [30] days after the election, to nullify the election and to prohibit further proceedings pursuant to the election.

(b) In any such action filed in the circuit court of the county where the lands lie, the court shall have jurisdiction and the authority to determine whether the procedures outlined in this subchapter have been complied with and whether the municipality has used the proper standards outlined in § 14-40-302 in determining the lands to be annexed.

A.C.A. § 14-40-2201. Annexation and provision of scheduled services.

(a) (1) Beginning March 1, 2014, and each successive year thereafter, the mayor or city manager of a city or incorporated town shall file annually with the city clerk or recorder, town recorder, and county clerk a written notice describing any annexation elections that have become final in the previous eight [8] years.

(2) The written notice shall include:

(A) The schedule of services to be provided to the inhabitants of the annexed portion of the city; and

(B) A statement as to whether the scheduled services have been provided to the inhabitants of the annexed portions of the city.

(b) If the scheduled services have not been provided to the new inhabitants within three [3] years after the date the annexation becomes final, the written notice reporting the status of the extension of scheduled services shall include a statement of the rights of inhabitants to seek detachment.

(c) A city or incorporated town shall not proceed with annexation elections if there are pending scheduled services that have not been provided in three [3] years as prescribed by law.

A.C.A. § 14-40-2202. Inhabitants of annexed area.

(a) In all annexations under § 14-40-303 and in accordance with § 14-40-606, after the territory declared annexed is considered part of a city or incorporated town, the inhabitants residing in the annexed portion shall:

(1) Have all the rights and privileges of the inhabitants of the annexing city or incorporated town; and

(2)(A) Be extended the scheduled services within three [3] years after the date the annexation becomes final.

(B) The mayor of the municipality shall file a report with the city clerk or recorder, town recorder, and county clerk of the extension of scheduled services.

(b) If the scheduled services have not been extended to the area and property boundaries of the new inhabitants within three [3] years after the date annexation becomes final, the written notice reporting the status of the extension of scheduled services shall:

(1) Include a written plan for completing the extension of services and estimated date of completion; and

(2) Include a statement of the rights of inhabitants to seek detachment.

(c) A city or incorporated town shall not proceed with any additional annexation elections if there are pending scheduled services that have not been extended as required under this subchapter.

Annexation of Lands in Adjoining County

A.C.A. § 14-40-401. Authority.

(a) The General Assembly finds that there are areas within adjoining counties that are so necessary to the satisfactory conducting of a city's business that there is a need to annex land lying in the adjoining county into the city. This law will aid the residents to receive needed services to improve the quality of life in the unincorporated area.

(b) Any lands contiguous to a municipality having a population of seventy-five thousand (75,000) or less, although located in an adjoining county, may become annexed to the municipality in the manner provided in this chapter.

Ordinance Method

A.C.A. § 14-40-501. Authority—Exceptions.

(a)(1)(A)(i) Whenever the incorporated limits of a municipality have completely surrounded an unincorporated area, the governing body of the municipality may propose an ordinance calling for the annexation of the land surrounded by the municipality.

(ii) Subdivision (a)(1)(A)(i) of this section includes situations in which the incorporated limits of a municipality have surrounded an unincorporated area on only three [3] sides because the fourth side is a boundary line with another state, a military base, a state park, a national forest, a lake, or a river.

(B) If the incorporated limits of two [2] or more municipalities have completely surrounded an unincorporated area, the governing body of the municipality with the greater distance of city limits adjoining the unincorporated area's perimeter may propose an ordinance calling for the annexation of the land surrounded by the municipalities, unless it is agreed by the adjoining municipalities that another of the adjoining municipalities should propose an ordinance calling for the annexation.

(2) The ordinance will provide a legal description of the land to be annexed and describe generally the services to be extended to the area to be annexed.

(b)(1) The unincorporated area to be annexed shall comply with the standards for lands qualifying for annexation which are set forth in § 14-40-302.

(2) Privately owned lakes exceeding six [6] acres of water surface which are used exclusively for recreational purposes and lands adjacent to them not exceeding twenty [20] acres in size which are used exclusively for recreational purposes in relation to the lake shall not qualify for annexation under the provisions of this subchapter.

A.C.A. § 14-40-502. Hearing—Notice.

(a) A public hearing shall be conducted within sixty [60] days of the proposal of the ordinance calling for annexation.

(b) At least fifteen [15] days prior to the date of the public hearing, the governing body of the municipality shall publish a legal notice setting out the legal description of the territory proposed to be annexed and notify by certified mail all the property owners within the area proposed to be annexed of their

right to appear at the public hearing to present their views on the proposed annexation.

A.C.A. § 14-40-503. Procedure for annexation.

(a) (1) (A) Except as provided in subdivision (a)(1) (B) of this section, at the next regularly scheduled meeting following the public hearing, the governing body of the municipality proposing annexation may bring the proposed ordinance up for a vote.

(B) An ordinance shall not be enacted within fifty one (51) days of a scheduled election to consider annexing all or part of the area in question.

(2) If a majority of the total number of members of the governing body vote for the proposed annexation ordinance, then a prima facie case for annexation shall be established, and the city shall proceed to render services to the annexed area.

(b) The decision of the municipal council shall be final unless suit is brought in circuit court of the appropriate county within thirty [30] days after passage to review the actions of the governing body.

A.C.A. § 14-40-504. Enclaves prohibited.

(a) As used in this section, “enclave” means an unincorporated improved or developed area that is enclosed within and bounded on all sides by a single city or incorporated town.

(b) Whenever practicable, a city or incorporated town shall annex lands that are contiguous and in a manner that does not create enclaves.

Petition Method

A.C.A. § 14-40-601. Application by petition.

(a) When a majority of the real estate owners of any part of a county contiguous to and adjoining any city or incorporated town desires to be annexed to the city or town, they may apply by attested petition in writing to the county court of the county in which the city or town is situated shall name the persons authorized to act on behalf of the petitioners, and may include a schedule of services of the annexing municipality that will be extended to the area within three [3] years after the date the annexation becomes final.

(b) The “majority of real estate owners” referred to in this section means a majority of the total number of real estate owners in the area affected if the majority of the total number of owners own more than one-half (½) of the acreage affected.

A.C.A. § 14-40-602. Hearing on petition.

(a) (1) When the petition shall be presented to the county court, the clerk shall file it, and the court shall set a date for a hearing on the petition.

(2) The date for the hearing shall not be less than thirty [30] days after the filing of the petition.

(b)(1) (A) Between the time of the filing of the petition and the date of the hearing, the petitioners shall cause a notice to be published in some newspaper of general circulation in the county.

(B) The notice shall be published one [1] time a week for three [3] consecutive weeks.

(2) If there is no newspaper of general circulation in the county, notice shall be posted at some public place within the limits of the incorporated town or city for at least three [3] weeks before the date of the hearing.

(3) The notice referred to in this subsection shall contain the substance of the petition and state the time and place appointed for the hearing thereof.

(c) The hearing procedure set forth in § 14-38-103 shall be followed in the proceedings concerned in this section insofar as such procedure is not in conflict with any provision expressly set out in this subchapter.

A.C.A. § 14-40-603. Order for annexation.

(a) After the hearing, if the county court shall be satisfied that the allegations of the petition were sustained by the proof, if the court shall be satisfied that the requirements for signatures under § 14-40-601 have been complied with and if the court

shall be satisfied that the limits of the territory to be annexed have been accurately described and an accurate map thereof made and filed, and that the prayer of the petitioner is right and proper, then the court shall enter its order granting the petition and annexing the territory.

(b) The order shall be recorded by the clerk of the county.

A.C.A. § 14-40-604. Proceedings to prevent annexation.

(a) (1) No further action shall be taken for a period of thirty [30] days after the order for annexation has been entered. Within that time any person interested may institute a proceeding in the circuit court to have the annexation prevented.

(2) (A) If the court or judge hearing the proceeding shall be satisfied that the requirements for annexation as set out in this subchapter have not been complied with, that the territory proposed to be annexed is unreasonably large, or that the territory is not properly described, the court or judge shall make an order restraining any further action under the order of the county court and annulling it. However, such proceeding shall not bar any subsequent petition.

(B) If the court or judge shall determine that the order of the county court was proper, then the order of the county court shall be affirmed, and the proceedings to prevent the annexation shall be dismissed.

C. Consolidation

A.C.A. § 14-40-1201. Petition for consolidation.

(a)(1)(A) Beginning July 1, 1995, when the inhabitants of any city or incorporated town adjoining or contiguous to another smaller municipal corporation of any class in the same county shall desire that the city or incorporated town annex to it or consolidate with it the smaller municipal corporation, they may apply, by a petition in writing signed by a number of qualified electors from each of the municipal corporations equal to not less than fifteen percent (15%) of the total vote cast for the office of mayor in the respective city or town in the last preceding general election, to the city or town council of the larger municipal corporation.

(B) Municipal corporations separated by a river shall be deemed contiguous.

(2) The petition shall:

(A) Describe the municipal corporations to be consolidated; and

(B) Name the persons authorized to act in behalf of the petitioners presenting the petition as provided in this section.

(3)(A) Beginning July 1, 1995, the petitions shall be filed with the city clerk or town recorder of each municipal corporation, who shall determine the sufficiency of the petitions in each municipality.

(B) (i) If any petition is determined insufficient, he or she shall notify the petitioners in writing without delay, and the petitioners shall be permitted ten [10] days from the notification to solicit additional signatures or to prove any rejected signatures.

(ii) If the city clerk or town recorder of the respective municipalities decides the petitions are sufficient, he or she each shall notify the petitioners in writing and shall present the petitions to the city or town council of the larger municipal corporation.

(b)(1)(A) When the petition is presented to the council, the council shall pass an ordinance in favor of the annexation and approving and ratifying the petition.

(B) If the council fails to pass the ordinance required under subdivision (b)(1)(A) of this section, then any interested party may apply for a writ of mandamus to require the performance of the requirement.

(2) In that event, it shall be the duty of the persons named in the petition authorized to act in behalf of the petitioners to file the petition, together

with a certified copy of the ordinance, in the office of the county clerk of the county in which the municipal corporations are situated.

A.C.A. § 14-40-1202. Special election called.

(a)(1)(A) Upon presentation of the petition to the county court by the authorized persons, the court shall at once order and call a special election, to be held in accordance with § 7-11-201 et seq., in both of the municipal corporations on the question of the annexation and the name of the proposed consolidated municipality.

(B) The court shall give thirty [30] days' notice of the election by publication one [1] time a week in some newspaper with a bona fide circulation in the territory and by notices posted in conspicuous places in the territory.

(2) The court shall appoint one [1] judge and one [1] clerk in each ward or other division of each municipal corporation, and the mayor and city council of each of the municipal corporations shall select two [2] judges and one [1] clerk for each of the wards or other divisions having the qualifications of electors, to act as judges and clerks of election within the respective wards.

(3) The court shall fix all polling places at which the voting shall take place.

(b)(1) The election shall be held and conducted in each corporation in the manner prescribed by law for holding elections for cities or incorporated towns, so far as they are applicable. Election expenses are to be paid by the larger city or incorporated town.

(2)(A) All elections held under this subchapter are made legal elections.

(B) (i) The elections shall be governed by and subject to all the laws relating to general elections so far as applicable.

(ii) All judges, clerks, and persons voting in the elections shall be subject to the penalties prescribed by the general election laws of the state for any violation of the general election laws to the same extent as though the elections were specifically included in the general election laws of the state.

(3) The returns of the elections shall be made to the court and the result thereof declared by the court.

(c) In order to provide for an orderly transition of affairs if the petition calls for a delay in the implementation of the consolidation, the consolidation shall not take effect until the date specified in the

petition, except that the consolidation shall be delayed not longer than eighteen [18] months from the date the election results are declared by the court.

A.C.A. § 14-40-1203. Election results.

(a) At any election held under this subchapter, all qualified electors who are residents of either municipality shall be allowed to vote on the adoption or rejection of the proposed annexation or consolidation and the name of the proposed consolidated municipality.

(b)(1)(A)(i) If a majority of the votes cast in each of the respective municipalities, considered as a separate and distinct unit and without reference to the vote cast in the other, shall be in favor of the consolidation or annexation, then the county court shall declare, by an appropriate order, the annexation or consolidation consummated unless the petition has requested a delayed date for implementation of the consolidation.

(ii) If the petition calls for a delay in the implementation of the consolidation and if a majority of the votes cast in each of the respective municipalities is in favor of the consolidation, then the county court shall order the annexation or consolidation consummated on the date specified in the petition, except that the date shall not be more than eighteen (18) months after the date election results are declared by the court.

(B)(i) If a majority of the votes cast in each of the respective municipalities, considered as a separate and distinct unit and without reference to the vote cast in the other, shall be in favor of the same name of the municipality, then the county court shall declare, by appropriate order, the name of the consolidated municipality.

(ii) If a majority of the votes cast in each of the respective municipalities, considered as a separate and distinct unit and without reference to the vote cast in the other, shall not be in favor of the same name of the municipality, then the county court shall declare, by appropriate order, the name of the consolidated municipality to be the name of the larger municipality.

(C)(i) Upon the making of the order, the smaller municipal corporation and the territory comprising it shall, in law, be deemed and be taken to be included and shall be a part of the larger municipal corporation.

(ii) The inhabitants thereof shall in all respects be citizens of the larger municipal corporation.

(2) If a majority of the votes of either municipal corporation shall be against annexation, then the city or incorporated town shall not be again permitted to attempt the consolidation for two [2] years.

A.C.A. § 14-40-1204. Election; contest actions.

Any elector shall have the right to test the legality and fairness of the election and the declared results in a proceeding before the circuit court without being required to give bond for costs. However, no such contest shall interfere with the consolidation until finally decided.

A.C.A. § 14-40-1205. Effect on certain municipalities.

(a) As soon as practicable after the annexation, the council of the larger city or incorporated town shall, by ordinance, form the territory of the smaller municipality into such number of wards as shall seem to be the best interest of the combined city or incorporated town, or shall change the number and boundaries of all the wards of the entire city or incorporated town, or any part of them, as shall seem to be to the best interests of the combined city or incorporated town. In such way, however, the wards shall have as nearly an equal population and assessed valuation of property as practicable and as, in the opinion of the council, would best subserve the true interest of the citizens and taxpayers of the combined city or incorporated town.

(b) The territory and inhabitants of the smaller municipal corporation shall receive that fair and just representation in the city council as the size, population, and assessed valuation of property demands, as compared with the representation accorded to other wards of the city or incorporated town.

(c) If inhabitants of the smaller municipal corporation feel aggrieved at the number of wards, or in any manner dissatisfied with the division of the territory into wards, upon petition of fifty (50) qualified electors, the circuit court is authorized to make changes in the number of wards as the justice of the case requires, in the manner provided in § 14-43-311, so far as applicable.

A.C.A. § 14-40-1206. Plot requirement.

(a) The council of the larger city or incorporated town shall cause a plat to be made of the entire city or incorporated town after the annexation thereto and the division into wards of the smaller municipal corporation.

(b)(1) A certified copy of the plat shall be filed and recorded in the office of the circuit court and ex officio recorder of the county and with the Secretary of State.

(2)(A) Thereafter, the plat shall stand, be, and remain the division of the city or incorporated town into wards, and the number and boundaries thereof, until such time as it may be afterwards changed according to law.

(B) However, a change in the boundaries of the wards of the larger city or incorporated town shall not determine or affect the time of service of any previously elected council member of any ward in the larger city or incorporated town.

A.C.A. § 14-40-1207. Special election of council members or all city officials.

(a)(1)(A) Except as provided under subdivision (a)(1)(B) of this section, the city or town council shall call a special election of council members to be held at such times and places as the council may direct pursuant to a proclamation issued by the mayor in accordance with § 7-11-101 et seq., in the wards of the smaller municipality and for the election of council members from any other new wards that may be created by the council out of territory included in the larger city or incorporated town before the annexation, as provided in this subchapter.

(B) If the petition calls for a citywide election for all officials of the new consolidated city or incorporated town, then the city or town council shall call a special election pursuant to a proclamation issued by the mayor in accordance with § 7-11-101 et seq. for all city or town officials to be held at the times and places as the city or town council may direct throughout each ward of the consolidated city or incorporated town.

(2) If the implementation of the consolidation of the cities or towns is delayed, the special election for new council members to a city or town council or all city officials shall be held at least forty-five (45) days before the effective date of the consolidation.

(b) Each ward of the consolidated city or incorporated town shall have two [2] council members, to be elected in the same manner and for the same

term as council members are elected in cities and incorporated towns.

A.C.A. § 14-40-1208. Termination of office.

(a) The term of office of all officers, council members, and employees of the smaller municipality and all laws in force therein shall cease upon and after the consolidation.

(b)(1) Any mayor who is forced from office because of a merger of two [2] or more municipalities under this subchapter is presumed to meet the minimum service period under § 24-12-123.

(2) If the mayor who is forced from office has less than ten [10] years of actual service as mayor, then he or she is entitled to a prorated retirement benefit that is equivalent to an amount that is equal to the percentage of the mayor's actual amount of service divided by the minimum ten [10] years of service required under § 24-12-123.

A.C.A. § 14-40-1209. Municipal property.

All public property of the smaller municipality shall belong to the consolidation city or incorporated town.

A.C.A. § 14-40-1210. Municipal debts.

(a)(1) The debts of each municipality owing prior to or at the time of the consolidation shall be paid by the consolidated municipality by appropriating the revenues derived from year to year from the territory and the inhabitants of what was formerly the larger municipality to the payment of the debts of the larger municipality owing before the consolidation.

(2) In like manner, the debts of the smaller municipality owing prior to and at the time of the consolidation shall be paid by appropriating the revenues derived from what was formerly the smaller municipality in such manner as to do the least injustice to the inhabitants of each former municipality in the way of a decrease in the improving or bettering of the territory as it formerly existed.

(b) In appropriating the revenues of either municipality to pay its own debts existing prior to the consolidation, neither the territory nor inhabitants of what was formerly the larger or smaller municipality shall be discriminated against in the distribution of police protection, board of health service, fire protection, public lighting, or other like public service.

A.C.A. § 14-40-1211. Enforcement of debts; preferences.

(a) Creditors of either municipal corporation, on account of obligations made prior to consolidation, shall not be paid sooner or shall not be permitted to enforce the collection of their debts sooner against the consolidated city or incorporated town than the separate municipality prior to consolidation could have paid its own debts or could have been forced to do so.

(b) In any proceeding in court, by mandamus or otherwise, against a consolidated city or incorporated town to enforce the obligations created by either municipal corporation prior to consolidation, no greater part of the revenue of the consolidated city or incorporated town shall be subject to be applied by the court at the instance of the creditor to the payment of the obligations than could have been subjected against the revenues of the particular city or incorporated town creating the obligation prior to consolidation if the particular municipal corporation having so created the obligation had not been annexed.

A.C.A. § 14-40-1212. Betterments and improvements.

(a) The wards formed out of the territory comprising the former territory of the smaller municipal corporation annexed under the provisions of this subchapter shall always receive betterments and improvements in an amount equal to the amount of revenue derived by the consolidated municipality from the territory and inhabitants of the smaller municipal corporation, after having deducted the pro rata share of the territory of the running expenses necessary to be expended in maintaining the government of the entire city or incorporated town and after having taken into consideration the amount of revenues necessarily appropriated to pay the indebtedness due by the smaller municipality before consolidation, until the indebtedness is paid. In addition, those wards shall always receive their fair and equitable proportion of the police, board of health, fire protection, and lighting service of the larger city or incorporated town. They shall in all other ways receive fair and liberal treatment and their fair proportion of the expenditure of moneys by the larger city or incorporated town.

(b) Council members representing the wards composing the territory of the smaller municipal corporation before consolidation have a right:

(1) At all times, to demand of the city or town council the benefit of the revenue collected from the wards, as provided for in this section; and

(2) On the refusal by the city or town council of the demand made under subdivision (b)(1) of this section, to enforce the revenue rights by mandamus or other appropriate proceedings.

(c) In the event the council members, or fifty [50] qualified electors of the territory annexed, feel aggrieved in reference to the amount of revenue expended on the territory or as to the other rights guaranteed in this section to the annexed municipality, they may submit the matter to the circuit court, which is authorized by appropriate orders to compel the consolidated city or incorporated town to give the former territory of the smaller municipal corporation the full benefit of its revenue as provided in this section.

A.C.A. § 14-40-1213. Contracts.

No franchises, contracts, or other obligations of an extraordinary nature, or other than those necessary for the ordinary and usual running of the affairs of either municipal corporation, which have been granted, made, or created by either municipal corporation after the passage of an ordinance favoring annexation, and prior to the consummation of the annexation, shall be valid and binding against the consolidated municipality, or any part thereof, in the event that a consolidation is effected within sixty [60] days after passage of the ordinance, unless they shall be afterward ratified by the consolidated city or incorporated town.

D. Detachment

For procedures to detach territory from a municipality see §§ 14-40-1801 through 14-40-1803, which provides for submission of the question to a vote of the people and petition to the county court. Also, §§ 14-40-1901 through 14-40-1903 provide that the city council may by resolution provide for the detachment from said city or town of any area which for more than ten [10] years has not been recognized by city officials and is deemed unsuitable for urban development and petition to the county court for detachment of the designated area. After a hearing upon such petition by the county court, an order may be issued excluding such territory from the corporate limits. Special rules apply to regional airports, as Act 1420 of 1999 (§ 14-362-132) exempts them from any rules, regulations, ordinances, or permit requirements of a municipality. Act 1420 of 1999 also provides that the regional airport authority may elect to de-annex from a city or town after a municipality in which the airport property is located is annexed or consolidated with another municipality. In addition, individual landowners can request that their property be detached through the procedure set out in § 14-40-608.

A.C.A. § 14-40-608. Right to detach certain lands after an annexation proceeding.

(a) Within three [3] years after an annexation proceeding is completed under the provisions of this subchapter and the land remains the boundary of the city or town, the person owning all lands originally annexed into the city or town may be authorized to detach those annexed lands from the city or town under the provisions of this section, so long as the city or town has provided no utility services to those lands.

(b)(1) When a qualifying landowner notifies the municipality that he or she wishes to detach his or her land from the city or town under this section, the governing body of the municipality may pass an ordinance within thirty [30] days to detach the annexed, qualifying land from the municipality.

(2)(A) In order to notify the city or town, the landowner shall file an affidavit with the city clerk or recorder stating that:

- (i) His or her land was annexed;
- (ii) His or her land is located inside the city or town along the municipal boundary; and
- (iii) He or she desires the annexed land to be detached from the municipality.

(B) The affidavit shall be filed along with a certified copy of the plat of the annexed land he or she desires to be detached and a copy of the order of the county court approving the annexation and the resolution or ordinance of the municipal governing body accepting the annexation.

(c) If the municipal governing body approves the ordinance to detach the territory, the clerk or recorder of the municipality shall duly certify and send one [1] copy of the plat of the detached territory, one [1] copy of the ordinance detaching the territory, and one [1] copy of the qualifying affidavit to the county clerk.

(d)(1) The county clerk shall forward a copy of each document to the Secretary of State, who shall file and preserve them.

(2) The county clerk shall forward one [1] copy of the plat of the detached territory and one [1] copy of the ordinance detaching the territory to the Director of the Tax Division of the Arkansas Public Service Commission, who shall file and preserve them and shall notify all utility companies having property in the municipality of the detachment proceedings.

Simultaneous Detachment And Annexation

A.C.A. § 14-40-2101. Simultaneous detachment and annexation by two [2] cities.

(a) When the boundaries of two [2] municipalities are contiguous to and adjoining one another, and one [1] municipality desires to detach and annex territory in another municipality, then the governing body of the municipality desiring to detach and annex territory may propose an ordinance calling for the simultaneous detachment of the lands from the one [1] municipality and the annexation of the lands into its municipal limits. The municipality desiring to annex land in the adjoining city, after the passage of the ordinance calling for detachment and annexation, shall send the ordinance to the governing body of the city or town in which the lands are located.

(b)(1) The ordinance will provide a legal description of the lands proposing to be detached and annexed and describe generally the reasons for proposing the action.

(2) The governing body of the city or town in which the lands are located shall conduct a public hearing within sixty [60] days of the proposal of the ordinance calling for the detachment and annexation.

(3) At least fifteen [15] days prior to the date of the public hearing, the governing body of the proposing municipality shall publish a legal notice setting out the legal description of the territory proposed to be detached and annexed. Municipal officials of the proposing city or town, officials of the city or town in which the lands are located, and property owners within the area proposed to be detached and annexed may appear at the public hearing to present their views on the proposal.

(c) (1) At the next regularly scheduled meeting following the public hearing, the governing body of the municipality in which the lands are located may bring the proposed ordinance up for a vote to concur in the detachment and annexation.

(2) If a majority of the total number of members of the governing body vote for the proposed detachment and annexation ordinance, then a prima facie case for detachment and annexation shall be established, and the proposing municipality shall proceed to render services to the newly annexed area.

(d) The decision of the municipal governing bodies shall be final unless suit is brought in the chancery court of the appropriate county within thirty [30] days after passage of the ordinance to review the mutual actions of the governing bodies.

(e) (1) As soon as the ordinance proposing the detachment and annexation is final, the territory shall be deemed and taken to be a part and parcel of the limits of the city or town annexing it, and the inhabitants residing therein shall have and enjoy all the rights and privileges of the inhabitants within the original limits of the city or town.

(2) The governing body of the annexing city or town shall direct the municipal clerk or recorder to duly certify one [1] copy of the plat of the annexed territory and one [1] copy of the proposing ordinance as adopted by both governing bodies to the county clerk.

(3) The clerk shall forward a copy of each document to the Secretary of State, who shall file and preserve them.

A.C.A. § 14-40-2002. Annexation into adjoining municipality.

(a) (1) A landowner or group of landowners seeking additional municipal services may have its land detached from the municipality in which it is located and annexed into another municipality that borders the land.

(2) However, before annexation is allowed, the municipality in which the land is located shall have an opportunity to provide the additional services.

(b) The following procedure shall apply:

(1) The landowner or landowners shall file a statement with the municipality in which the land is located listing the additional municipal service or services being sought and stating that:

(A) The municipality is not providing services necessary to create improvements, provide employment or additional employment, subdivide, or otherwise maximize the use and value of the property;

(B) All the land in the request composes one [1] area that is contiguous to another municipality;

(C) The additional services are available in another municipality that borders the land subject to the request; and

(D) (i) The municipality is requested to make a commitment to take substantial steps, within ninety (90) days after the statement is filed, toward providing the additional services available and within each thirty-day period thereafter to continue taking steps to demonstrate a consistent commitment to provide the service within a reasonable time, as determined by the kind of services requested.

(ii) The commitment shall be made in writing to the landowner within thirty [30] calendar days of the filing of the statement, or the landowner may seek to have the land detached from the municipality and annexed into the other municipality.

(iii) The landowner shall take appropriate steps to make the land accessible to the service and comply with reasonable requests of the municipality that are necessary for the service to be provided;

(2) The landowner or landowners may request the annexation of the land into the other municipality and thereby detach the land from the boundaries of the municipality in which the land is currently located, if:

(A) The municipality in which the land is located fails to execute a commitment to services within thirty [30] days after the statement is filed; or

(B) The municipality executes the commitment to services but fails to take the action required under subdivision (b)(1)(D) of this section;

(3)(A) The land shall be annexed into the other municipality if, after a request by the landowner or landowners, the governing body of the municipality into which annexation is sought indicates by ordinance, resolution, or motion its commitment to make the services available and its approval of the request for annexation.

(B) (i) The annexation shall be void and the land shall be returned to the original municipality if the annexing municipality fails to take substantial steps within ninety (90) days after the passage of the ordinance, resolution, or motion to make the services available and, within each thirty-day period thereafter, continues taking steps demonstrating a consistent commitment to make the additional service available within a reasonable time, as determined by the kind of services requested.

(ii) The landowner must have taken appropriate steps to make the land accessible to the service and complied with the reasonable requests of the municipality that are necessary for the service to be provided.

(iii) However, if the requested services are not available within one hundred eighty (180) days after the property is accepted by the annexing jurisdiction or substantial steps are not taken to make the services available within this time period, then the detachment and annexation shall be void and all property returned to its original jurisdiction; and

(4) The land shall remain in the original municipality until it is annexed into the other municipality.

(c) Land annexed pursuant to this section shall not be eligible for reannexation under this section for a period of two [2] years.

(d) This section shall apply to residential, commercial, industrial, and unimproved land.

(e) For the purposes of this section, “services” means electricity, water, sewer, fire protection, police protection, drainage and storm water management, or any other offering by the municipality that materially affects a landowner’s ability to develop, use, or expand the uses of the landowner’s property.

A.C.A. § 14-40-2003. No split or island.

(a) In no event shall the provisions of this subchapter allow a municipality to be split in half or to have any of its land separately encircled, thereby creating an island of that city within the boundaries of another city.

(b) Any detachment and annexation occurring that creates a split or island shall be void and all properties returned to their original municipality.

A.C.A. § 14-40-2004. Hearing in circuit court; appeal.

(a) (1) The circuit courts of the state shall have exclusive jurisdiction to hear all matters related to this subchapter.

(2) The circuit court of the county in which the municipalities are located or, in the event that the municipalities are located in different counties or judicial districts, the circuit court of the county or judicial district that has within the county’s or judicial district’s boundaries the smallest of the two [2] municipalities in population according to the latest federal decennial census, shall have exclusive jurisdiction to hear all matters related to this subchapter.

(b)(1)(A) Upon petition of either affected municipality, the landowner or group of landowners, or its representatives, the circuit judge shall hold a hearing or series of hearings related to the provisions of this subchapter.

(B) The municipalities, the landowner who requested annexation, and a landowner who began owning land after the annexation request are parties to the hearing.

(2) The circuit judge shall make findings as are necessary to determine whether there has been substantial compliance or noncompliance with the requirements of this subchapter.

Important: *The provisions of A.C.A. § 14-40-2201 concerning the provision of services, reporting and consequences of failing to provide the services within three years should be carefully reviewed and understood by city officials. For public safety reasons and statutory compliance, police and fire protection should be supplied at the time the annexation is final. State law also requires the city to maintain public streets (A.C.A. § 14-301-101) and establish solid waste collection and disposal (A.C.A. § 8-6-211).*

A new “three-reading” requirement was enacted by Act 219 of 2019, amending A.C.A. § 14-40-303(a). This change is reflected in Section 10 of the sample ordinance above.
